Donor-Advised Funds (DAFs)

Give Today. Create Lasting Impact.

A Donor-Advised Fund (DAF) is one of the easiest and most tax-efficient ways to support TABLE. It allows you to make charitable contributions, receive an immediate tax deduction (if eligible), and recommend grants to your favorite nonprofits over time.

Whether you give annually or throughout the year, recommending a grant from your Donor-Advised Fund helps ensure local children have consistent access to healthy food.
