TABLE
feeding local kids

Created August 2026

What Is a Wire Transfer?

A wire transfer is a way to transfer funds directly from one bank account to another. It allows you to make a contribution to TABLE directly through your bank or financial institution.

How to Make a Wire Transfer Gift

Step 1: Contact Executive Director Ashton Tippins

Contact Ashton at actippins@tablenc.org to request TABLE's wire transfer details and let us know the amount you would like to contribute.

Step 2: Contact Your Banker or Financial Advisor

Provide your banker or financial advisor with TABLE's wire transfer information, the amount of your contribution, and the date you would like the transfer to be initiated. For reference, TABLE's tax ID number is 26-1471735.

Step 3: Confirm the Details

Once you have arranged the transfer, please confirm the details with Ashton so TABLE can track and properly credit your gift.

Questions or Need Assistance?

If you have questions about making a wire transfer gift or need the transfer instructions, please contact Ashton at actippins@tablenc.org. We are happy to help make the process as easy as possible.

Thank you for supporting TABLE!

Your generosity helps ensure local children have access to fresh, nutritious food each week.
